This offers an introduction to the Prevent duty and explains how it aims to safeguard vulnerable people from being radicalised to supporting terrorism or becoming terrorists themselves.

[Prevent awareness](#)

This package builds on the Prevent awareness eLearning training. It is designed to make sure that when we share a concern that a vulnerable individual may be being radicalised, that the referral is robust, informed and with good intention, and that the response to that concern is considered, and proportionate.

[Prevent referrals](#)

This training package is for anyone who may be asked to contribute to, sit on, or even run a Channel Panel. It is aimed at all levels, from a professional asked to input and attend for the first time, to a member of staff new to their role and organising a panel meeting.

The Prevent strategy. The strategy contains three objectives: to respond to the ideological challenge of terrorism and the threat from those who promote it; to prevent people from being drawn into terrorism and ensure that they are given appropriate advice and support; and to work with sectors and institutions where there are risks of radicalisation that we need to address.
